

2010 Membership

Your Trenton Historical Society membership is now due. With your membership, you will receive the Society's newsletter filled with stories and articles about Trenton's past and information about our quarterly programs usually held at the Westfield Activity Building.

Genealogical research also can be done using our family files, Trenton High School yearbooks, *The Shirmer Collection*, newspaper articles, obituaries and our photo collection, just to name a few sources of family tree materials.

We are attempting to get email addresses for members so that in the future, we can send your newsletters via email. If you wish to receive these in the future, please complete the email address line in the form below.
